NOTE:

- 1. The school’s cultural/festival life is greatly enriched by celebrations brought by parents wishing to share their family culture with the rest of the school. In the past, such celebrations have included Diwali, Hanukah, Kwanzaa, and Lunar New Year. These festivals bring an awareness of different cultures and religions to the children. We assume parents will continue to sponsor these events in the 2009/2010 school year.**
- 2. The Kindergarten, 1st Grade, and 2nd Grade programs are not offered year-round. During the Winter Break, February Teachers’ Conference Week, and Spring Break, aftercare will be offered from 8:30 am to 5:30 pm.**
- 3. Dates and activities presented in this calendar are subject to change.**
